

REEVES-REED ARBORETUM'S MASK POLICY AS OF MARCH 4, 2022

With the announcement that the NJ mask mandate is lifted as of March 7, children will not be required to wear masks while **outdoors**.

However, all children participating in the Arboretum's programs are required to **bring a mask with them**, for use when entering a building and when safe distancing is not possible.

**For indoor programs** – At the discretion of the educators, if space permits and proper distancing can be maintained, children will be allowed to remove their masks.

With the constant changing information landscape, the Arboretum reserves the right to change its policy as necessitated.

Please contact Director of Education, Althea Llewellyn, at [a.llewellyn@reeves-reedarboretum.org](mailto:a.llewellyn@reeves-reedarboretum.org) with any questions or concerns.
