

REEVES-REED ARBORETUM CORPORATE VOLUNTEER DAY

Employees will foster teamwork, spend time in nature, give back to the community & enjoy a historic property!

Book your team's volunteer day in our gardens, trails & woodlands

Led by our horticulture staff, volunteers participate in a variety of activities depending on the season – from planting bulbs, trees, perennials, and annuals, to mulching, edging, weeding, maintaining our woodland trails – and more. We provide everything you need for a productive day of teamwork and community engagement.

Your support helps RRA to achieve our mission – *to engage, educate and enrich our visitors so that they become better stewards of the environment.* Every team contributes to our Arboretum and helps our garden and woodlands to grow and thrive.

Group projects run on Wed-Fri from March through May and from September through November. We can also customize a package just for your group – please reach out for details.

Book your volunteer day now!

**Contact Trish Cassin @
t.cassin@reeves-reedarboretum.org
or (908) 273-8787, ext. 1616.**

Let us help you plan the perfect day for your group of 10-15 volunteers including:

- a welcome coffee
- a tour by our horticulture staff
- team photo
- hands-on gardening activities

Volunteer Checklist

- We work rain or shine, so bring appropriate outdoor wear.
- Gardening is dirty work, so dress accordingly. Boots/sturdy footwear & jeans are recommended.
- Volunteers should be able to bend and lift 10 lbs.

Every day is

Earth Day at RRA!

Corporate Volunteer Day Event Package

\$750 Donation: 3-hour volunteer event for up to 15 participants, including garden tour, coffee and photo. Contact us to arrange an add-on lunch on the grounds. *Contributions are tax deductible.*
